The deadline for applications to both programmes is Monday the 1st of February 2021.

We are aiming to begin the induction week for both programmes on the 15th of February 2021.

Upon Referring A Young Person

Most importantly, we are looking to support young people who are motivated,

punctual and committed to gaining their Functional Skills or Sports Coaching qualification. As the courses are fast-paced they will require a high level of engagement from the young person to ensure the best possible grade is achieved.

Referring does NOT guarantee a young person a place. We have a limited number of spaces for this opportunity.

We will also continue to support NEET 18-24 year olds in finding suitable employment opportunities/qualifications.
